Daddy-O!

Products used: RC uses Ultem picks 0.94mm and a Pork Knuckle, Brenna uses Eco picks 0.8mm, Special K Acetal picks 0.8mm, and Daddy-O! uses: Pro Lemon, Pro Shine, Pro Buff & String Zip

“Steve Clayton picks are the only picks the members of Daddy-O! will use. They help Daddy-O! deliver the sound we want and consistently give us our tone. They last, too! Steve Clayton cleaners & polishes leave our instruments looking great without leaving behind messy residue and protect our guitars & basses as well.”

Since 1999, Daddy-O! has been re-creating the 1950s style era performing in Southern New England, Southeastern Massachusetts, Cape Cod, Rhode Island, New Hampshire and Connecticut. Some may call it, “Oldies”... We call it: “HARDCORE FIFTIES” The look, the sound, the feel brings you back to that time when music was fun and made you wanna dance. Re-experience the birth of Rock & Roll, Rockabilly, Doo Wop, Rhythm & Blues and even Pop! Check out Daddy-O!, put on your blue suede shoes, comb-in your pomade... RELIVE the FIFTIES and HAVE some FUN!

The current lineup for Daddy-O! is

- R.C. (Robert Chandler) on guitar & vocals,
- Special ‘K’ (Bill Kirby) on slap bass and vocals and
- Teen Rockabilly Singing Sensation, Brenna (Joyce) on guitar and vocals.
